RESPONSE

RECEIVED

Commissioner of Patents
and Trademarks

DEC 14 1995

Washington, D.C. 20231

GROUP 21B

Sir:

This is a response to the Restriction Requirement dated October 27, 1995. A shortened statutory period was set to expire thirty days from the date of the action, making a response due by November 26, 1995.

ELECTION

Applicant hereby elects, with traverse, the invention of Group II, claims 15-19. Applicant respectfully submits that both inventions could be examined together, with little additional work on the part of the Patent and Trademark Office.

AMENDMENT

Please amend the application as follows:

IN THE CLAIMS:

Please amend the claims as follows:

Please add the following claims:

20. Apparatus comprising a surgical sponge made of an absorbent material for absorbing fluids during surgery and an RF tag attached to the sponge for allowing the sponge to be detected by a non-optical scanner means.

21. The apparatus of claim 20, wherein:

the RF tag does not exceed one inch in diameter and 0.20 inches in thickness.

22. The apparatus of claim 20, wherein:

the RF tag does not exceed three grams in weight.
